YEMSTAR®

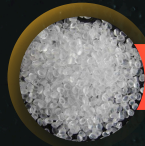

# Our Selective Designer Series Chairs

# Our Features & Quality

- **100% Virgin Plastic** – Made from pure, non-recycled plastic for maximum strength, stability, and smooth finish.
- **Lightweight Yet Strong** – Weighs around 2 kg but designed to provide high durability and load-bearing capacity.
- **Strong & Stylish Design** – Modern structure with ergonomic support suitable for homes, offices, and event spaces.
- **Rubber Bush Base** – Equipped with anti-slip rubber bushes to prevent floor scratches and add extra grip.
- **Multi-Color Options** – Available in a variety of colours to match interiors and preferences.
- **2-Year Replacement Guarantee** – Comes with a 2-year warranty
- **Easy to Clean & Maintain** – Smooth surface; can be wiped clean easily with no special care required.
- **Eco-Friendly Manufacturing** – Production waste is recycled responsibly to support sustainability.
- **Made in Kerala, India** – Proudly manufactured locally with a focus on quality, comfort, and long life.
